Goal Statement

The Municipal Alcohol Policy (MAP) is designed to help ensure event organizers, utilizing eligible Municipal owned property, manage alcohol accessibility and consumption in accordance with the Liquor License Act, R.S.O. 1990 and this policy.

The Municipality of Strathroy-Caradoc recognizes the potential risks associated with the consumption of alcohol, including harm to individuals, families, and communities. Therefore, it is our policy to promote responsible alcohol consumption and to minimize the negative impacts of alcohol on our community and event organizers.

Objective

To ensure event organizers have a clear understanding of the appropriate and acceptable practice of serving alcohol during licensed events.

The objective will be met by:

- Assisting event organizers with compliance of the Special Occasion permits (SOP) as outlined by the Alcohol and Gaming Commission of Ontario (AGCO).
- Training and educating event organizers in the safe operation of SOP licensed events.
- Reinforcing appropriate procedures and controls to ensure responsible drinking practices.
- Explaining the benefits of providing alternative, non-alcohol drinks and appropriate food.

Application

This Policy applies to all events and activities on or in eligible Municipal owned property.

Administration and Enforcement

Strathroy-Caradoc Council, through the Director of Community Services, or his/her designate, is responsible for the administration of this Policy. (except Tri-Township Arena which shall be the administrative responsibility of the Tri-Township Arena Manager, or his/her designate)

The Director of Community Services, or his/her designate, a Strathroy-Caradoc Police Officer, or the Municipal Bylaw Enforcement Officer is responsible for the enforcement of this Policy.

The event organizer of a licensed event:

- can be held liable for the safety and sobriety of patrons.
- can be held responsible for injuries or damages that occur.
- can be held responsible for the safety and behaviour of patrons until they are sober.

Enforcement Procedure

If drunkenness, riotous, quarrelsome, violent, aggressive and/or disorderly conduct or unlawful gaming is observed at the event, the organizer and their event workers shall:

- First ask the offending person to leave, and
- If the person refuses to leave, call the Police
- Seek any necessary assistance to maintain control and management of the event and ensure the safety and protection of persons, including event workers.

The event organizer, event worker or municipal representative must notify the Police if they observe signs that a situation is getting out of control. 5

Rationale: The law clearly states that the event organizer has a "duty to control" - that is, to protect participants from foreseeable harm to themselves or others.

Youth Admission to Adult Events

Alcohol permits provide the detail as to who may attend a function. Alcohol and Gaming Commission of Ontario (AGCO) licensing laws and rules will be in effect and it is mandatory that those who are eligible to consume alcohol wear ID wrist bracelets.

Acceptable ID includes:

- Canadian BYID (Bring Your Identification),
- Ontario Driver's License,
- Passport
- Military Card

Rationale: To ensure that only those individuals who are 19 years of age and older are able to obtain alcohol.

Signs

The Municipality will post the following signs at all Municipal Owned properties where alcohol permits are in force.

1. **Statement of Intoxication**

“By the authority of the Alcohol and Gaming Commission of Ontario, it is against the law for licensed establishments to serve customers to intoxication. For this reason, servers in our facilities are required to obey the law and not serve anyone to intoxication. We are pleased to offer non-alcohol beverages.”

2. **Legal Age to Consume Alcohol**

“You must be 19 years of age or older to purchase and/or consume alcohol.”

3. **Time Limits**

“No alcohol will be sold after 1:00 a.m., all alcohol must be removed from the tables by 1:30 a.m. and the premises vacated by patrons by 2:00 a.m. No last call.”

4. **R.I.D.E.**

“The Municipality of Strathroy-Caradoc Police Service **Reduce Impaired Driving Everywhere (R.I.D.E.)** thanks you for helping to reduce impaired driving everywhere in Strathroy-Caradoc and area. Random R.I.D.E. check(s) may be in place following this event.”

5. **Alcohol Ineligible Areas**

“No Alcohol beyond This Point.”

6. **Ticket Sales or Cash at the Bar Sales**

“Sale of bar tickets will be limited to 4 per person per sale; No more than 2 drinks per person will be served per visit to the bar; Cash at the Bar sales will be limited to no more than 2 drinks per visit to the bar. As of 12:15 a.m., a maximum of 1 drink per person will be served.

7. **Acceptable Identification**

Posted at the bar, a list of allowable and acceptable ID.

8. **Accountability**

Posted at the bar and main entrance, information for patrons as to where to direct concerns regarding the manner in which the function has been operated, the name of the event organizer for the event and the contact information for personnel from the Community Services Department.

Rationale: Signs provide direction to guests and provide support to servers and supervisors. Servers are required “by law” not to serve an intoxicated person, nor to

[10411072817,,,MAP Revised November 2023 redline MAP Revised April November 2023 -docx](#)

serve anyone to the point of intoxication.

8

Server Training

The Municipality requires that volunteers serving alcohol, selling bar tickets, acting as floor and door monitors take the “Smart Serve” training program.

On completion of the training program, “Smart Serve” volunteers will know:

- their responsibilities and obligations under the law
- proactive approaches to preventing alcohol-related problems
- how to recognize signs of intoxication
- how to implement intervention strategies for aggressive customers

Note: The checklist on Page #16 requires completion and submission to the Director of Community Services, 48 hours prior to the event commencing.

Alcohol and Gaming Commission of Ontario and the Special Occasions Permit

For more information please visit http://www.agco.on.ca/en/whatwedo/permit_special.aspx

Rationale: Event workers must be adequately trained, prepared, available, and monitoring for the duration of the event. Smart Serve training provides education on signs of intoxication and will assist in the important task of preventing problems before they occur. The law clearly states that the special occasion permit holder has a "duty to control" - that is, to protect participants from foreseeable harm to themselves or others. Event workers must not consume alcohol since, if an incident were to occur, it would be difficult to demonstrate control.

Low Alcohol Drinks

As a requirement for an Alcohol Permit, the event organizers must ensure that a minimum of 30% of the alcohol beverages available be of a low alcohol concentration level, meaning less than 5% alcohol.

Safe Transportation

Event organizers are responsible to take the necessary steps to reduce the possibility of impaired driving. As a condition of rental, the event organizer must have a Safe Transportation

[10411072817,,,MAP Revised November 2023 redline MAP Revised April November 2023 docx](#)

Strategy in effect. Elements of a Safe Transportation Strategy could potentially include: 9

- Providing non-alcoholic beverages either at no charge or at a cost much lower than that of drinks containing alcohol.
- Providing alternate means of transportation for those who are suspected to be intoxicated (i.e., call a friend, relative, or taxi)
- Calling police “if” someone who is suspected to be impaired cannot be convinced to use alternate transportation.
- Providing a designated driver program, which encourages and identifies designated driver.

The designated driver program and relevant local taxi phone numbers must be prominently posted. Alternate means of transportation shall be provided for all those suspected to be intoxicated. All advertising for the event should indicate that a designated driver program is in effect.

Rationale: A Safe Transportation Strategy helps to ensure that no one who is the driver of a motorized vehicle is impaired when leaving an event from a municipal facility. An impaired driver leaving an alcohol related event is one of the greatest risks of liability.

Controls/Prevention Strategies

For all S.O.P. Events

1. The event organizers must provide a list of “qualified” Smart Serve trained Alcohol Servers 48 hours prior to the event commencing. The Community Services office hours are Monday to Friday 8:30am to 4:30pm.
 - a. Service Clubs may leave a list of “qualified” Smart Serve trained Alcohol Servers with the Community Services office to keep on file.
2. The expected ratio of Smart Serve Program trained staff to patrons is 1 for every 50 patrons. (ie 1 for 0 to 50, 2 for 51 to 100 and so on.)
3. Event Organizers must demonstrate to the Director of Community Services, or his/her designate, that plans are in place to observe regulations as specified below and that all requirements and controls are understood and in place prior to the event.
4. All parties must provide proof of insurance, naming the Municipality of Strathroy-Caradoc as additional named insured, at least 48 hours prior to the event commencing. Insurance coverage must remain in effect for the duration of the event.

Regulation-Level One

Example: Banquets/Receptions/Programmed Events/Specified Licensed Area

- The event has a limited amount of alcoholic beverages available to patrons.
- The event has a licensed area to serve alcohol to patrons.
- The event is primarily family focused or deemed to be a low to moderate risk.

Requirement:

Smart Serve trained bartenders are required based on the ratios stated under “Controls”.

Regulation-Level Two

Example: Social Events

- There is no separate licensed area and alcohol is available throughout the event.
- The event could include but not limited to dancing, games and entertainment.
- The event is deemed to be high risk.

Requirement:

Smart Serve trained bartenders, ticket sellers and floor and door monitors are required.

Licensed security according to the following ratios:

- 1-299 expected attendees 2 security guards
- 300-399 expected attendees 3 security guards
- 400-750 expected attendees 4 security guards
- 750+ expected attendees Minimum 6 security guards.
Event organizers must be in contact with the Strathroy-Caradoc Police Service to determine if further security is required.

Security must remain on the premises until released by the event organizer or until the last attendee has vacated the property.

The Day of the Event

1. The event organizer or designate (Responsible Person(s)) must attend the event and be responsible for making decisions regarding the operation of the event.

Responsible Person(s)

2. The permit holder/responsible person must be present throughout the SOP event and is responsible for the safety of people attending the event. They must ensure the event is run in compliance with the *Liquor Licence and Control Act*, its regulations, and the standards and requirements established by the Registrar.
3. The permit holder/responsible person indicated on the application will be noted on the permit. If there is more than one responsible person, all must be named and at least one of the persons named must be at the event at all times. The permit holder or, if applicable, designate shall make the permit readily available for inspection upon request.
4. **NOTE: If the permit holder/responsible person is unable to attend, it is the responsibility of the permit holder to designate in writing someone to attend the permit event on their behalf. The designated person is responsible for ensuring**

that all legal requirements for the permit event are met. The designated person must not be someone who has previously been refused a permit by the AGCO.

5. With prior Municipal approval, alcohol may be delivered to the Municipal owned property earlier in the day of the event to allow time for refrigeration. Alcohol must be received, unloaded, and secured by the Event organizer and the Municipality accepts no responsibility for loss or theft.

During the Event

1. For Level 2 events, entrances must be monitored by Smart Serve trained volunteers to ensure acceptable identification is provided and to refuse access to intoxicated individuals.
2. The event organizer is responsible for the event and therefore, must not consume alcohol prior to and during the event.
3. All Smart Serve trained Bartenders, Ticket sellers, Door and Floor Monitors and any general event personnel must not consume alcohol prior to and during the event.
4. No one may leave the licensed area with alcohol on his or her person.
5. A Smart Serve trained floor supervisor must be available to assist, as required.
6. Event workers must be easily identified by patrons.
7. Food and non-alcohol beverages shall be available throughout the event. Snacks (chips, peanuts, pretzels, etc.) in and of themselves, are not sufficient. Foods such as pizza, subs, veggie trays, etc., are recommended.
8. Entertainment must be complete by 1:00 a.m.
9. Facilities must be vacated by 2:00 a.m. or additional fees will apply.
10. Personnel listed under "Administration and Enforcement" may enter the event at any time and will enforce compliance of this Policy and if the event continues to operate in non-compliance have the authority to shut it down.

Bar Sales

1. No special sale of alcohol will be allowed, e.g., oversized drinks, double shots, 2 for 1, discount prices, volume discounts, etc. No pitchers of beer will be allowed. "Extra-strength" beer (greater than 5% alcohol content) is not permitted, unless approved by Council.
2. Smart Serve trained ticket sellers must be provided. Tickets must be presented at the bar to redeem for drinks and all unused tickets must be refundable.
3. Sales of bar tickets will be limited to 45 per person per sale. No more than two (2) drinks per person will be served per visit to the bar, and from 12:15am to 1:00am, a maximum of one (1) drink per person will be served. OR Cash at the Bar sales will be limited to no more than 2 drinks per visit to the bar. As of 12:15am, a maximum of 1 drink per person will be served. Shot of liquor = 1oz of liquor = one drink. "No double shots"
4. No last call.
5. Bar to close at 1:00am, with all alcohol off tables by 1:30am.

6. No glassware or bottles will be allowed to leave the bar unless prior approval has been obtained. All drinks are to be served to the customer in paper or plastic cups or containers. 12

Duty to Report

The event organizer has the duty to report to the municipal representative issues with details of any incident that:

- The event organizer and/or designate are aware of or has been made aware of any Liquor License Act of Ontario or Municipal Alcohol Policy violations.
- Where an Alcohol and Gaming Commission of Ontario Inspector under the Liquor License Act of Ontario has reported any incident or violation.
- Involves bodily injury or property damage.

Police shall be informed by the event organizer and/or designate as appropriate. Reports shall be made no later than two days after the conclusion of the event but shall be made immediately when repairs or other action is required to make municipality property secure or safe for use.

The Municipality of Strathroy-Caradoc representatives shall report any infraction of this policy to the police and/or Alcohol and Gaming Commission of Ontario whenever they believe such action is required.

Rationale: The law clearly states that the permit holder has a "duty to control" - that is, to protect participants from foreseeable harm to themselves or others. Although police will be called if a situation becomes risky, it is the responsibility of the event organizer to ensure proper management of an event.

Failure to Comply and Penalties

Where there has been a failure to comply with the Liquor License Act of Ontario, the police or the Alcohol and Gaming Commission of Ontario inspector may intervene for enforcement purposes and may, at their discretion or other authority, terminate the event. The Municipality of Strathroy-Caradoc may similarly cancel, intervene or terminate the event for violations of the MAP. It remains the responsibility of the event organizer and/or designate to manage the event and to take appropriate actions, including ending the event, vacating municipal property, maintaining insurance, any conditions of insurance, and providing safe transportation options.

Regardless of the reason for termination of the event, the Municipality of Strathroy-Caradoc will not be responsible for any compensation to the event organizer and/or designate or affected persons of their resulting financial, or other losses.

The Municipality of Strathroy-Caradoc shall subsequently inform the event organizer and/or designate and any organization they represent, via registered letter, that there has been a violation of the policy and any imposed consequences or penalties.

Additional short term and longer-term penalties for failure to comply may include, but are not limited to:

- Loss of privilege to hold an event involving alcohol in a municipal property or facility.
- Loss of any future use or rental of any or all municipal properties.
- Ban or suspension of persons involved in the infractions from any or all municipal properties for any term.

Rationale: The event organizer needs to be aware of the consequences of not following the Municipal Alcohol Policy or Liquor License Act of Ontario regulations.

INSURANCE

Proof of a minimum of \$5,000,000 liability insurance, including liquor liability, naming the Municipality of Strathroy-Caradoc as additional insured, must be provided to the Community Services Department 48 hours minimum prior to the event. The insurance must include the following:

- a) Municipality of Strathroy-Caradoc shall be shown as additionally insured on the policy;
- b) Coverage for bodily injury and property damage and;
- c) Host liquor liability endorsement.

The permit holder/event organizer shall indemnify and save harmless the Municipality from any and all claims, in connection with holding the event at municipal facilities, including the serving of alcohol. Such claims include but are not limited to demands, causes of action, losses, costs or damages that the Municipality may suffer, incur or be liable for, resulting from the permit holder/event organizer, workers', agents and other personnel's performance, actions and negligent acts or omissions."

Event Name

Name of Event Organizer

Signature of Event Organizer

Strathroy-Caradoc Council through the Community Services Department reserves the right to distinguish the size and scope of the event for insurance purposes.

Rationale: Case law indicates that judges and juries are sympathetic toward the injured plaintiff. Special occasion permit holders, the Municipality of Strathroy-Caradoc, the event organizer and volunteers could be named in a lawsuit. Municipalities can be jointly liable and could end up paying the predominant share of an award to a plaintiff should the event sponsor be uninsured.

POLICY MONITORING AND REVISIONS

The Community Development Advisory Committee will review this Policy on an annual basis.

The Council of the Municipality of Strathroy-Caradoc has the right to vary or introduce additional conditions or restrictions at its absolute discretion.

A copy of the revised document will be provided to Council for their approval.

General Interpretation

In case of conflict or confusion, or in related instances not specifically covered in this policy, the CAO or designate of Strathroy-Caradoc shall be empowered to make any and all necessary alterations or clarifications needed to ensure the equitable and effective application of this policy. If such instances occur a report to Council will be provided.

Minor grammatical, spelling, and/or typographical changes or corrections that do not alter the intent of this policy may be made, as necessary, by the CAO or designate.

Protocol

The Municipality of Strathroy-Caradoc accepts the doctrine of federal/provincial paramountcy as it relates to all municipal policies, procedures and by-laws.

For clarity, this acceptance means that, where there is an inconsistency or overlap between any validly enacted municipal policy, procedure or by-law and a lawful and relevant federal or provincial directive, statute or regulation, the federal or provincial directive, statute or regulation shall take precedence and override

Alcohol Advertising

Event organizers must follow the AGCO Special Occasion Permit regulations regarding alcohol advertising.
