Dear Colin Grantham

I want to express sincere thanks for your attention, care, openness, and compassion towards us. We feel and appreciate it.

Strathroy has become a true home for us. We want to build a new life and be valuable members of the Strathroy community.

We gladly participate in local markets and events. It's a great honor for us to conduct workshops on making pierogies at High School. We volunteer for Rotary Club International, Royal Canadian Legion, at the local library, nursing homes, schools, and collaborate with churches in Ontario.

We share our cultural values in presentations about Ukraine in Strathroy, London, and other cities.

We've founded a group called "Ukrainian Family Strathroy" on social media, which includes nearly 20 families. We help newcomers search for clothing, kitchenware, furniture, and essential items. Among our community, there are various families, students, women with children, whose husbands were forced to stay in Ukraine due to the war. Each of them has their own challenging history and mental difficulties. We try to help in any way we can, but our resources are limited. We invite you to collaborate and support us with gift cards of any amount, winter clothing and footwear, tickets for children's events, food and essential supplies, certificates for children's sports and creative activities. We also need assistance with legal and immigration consultants and Christmas gifts.

We will be grateful for any support from your side. Together, we can achieve more!

Sincerely yours,
Alla Shevchuk
