- 13) In addition to the foregoing provisions, the Applicant agree to indemnify and hold harmless and defend the Municipality, the Municipality’s officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable legal fees, arising out of, or resulting from, Applicant activities associated with the works, and without limiting the foregoing, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Applicant, its officers, employees, agents, subcontractors, licensees, or invitees.
