BY-LAW NO. 64-24**

**Purpose and Effect:**

1. The rezoning relates to Application for Consent File No.: B21-2023, which was provisionally approved by the Municipality's Committee of Adjustment on February 1, 2024. The purpose of this application is to rezone the 'lands to be retained' from the General Agricultural (A1) Zone to the site-specific 'Agricultural Purposes Only (A3-10) Zone' and to rezone the 'lands to be severed' from the General Agricultural (A1) Zone to a site-specific 'Agricultural Small Holdings (A2-38) Zone'.
2. The effect of this zone change is to facilitate the severance of an existing single detached dwelling from the balance of the farm parcel. The 'A2-38' zone recognizes the use of the severed lands for non-farm rural residential use. The 'A3-10' zone would prohibit the construction of a new residential use on the farm parcel and recognize the deficient side yard setback of the existing shed.
3. In addition to the application submissions and the planning report, Council considered all written and oral submissions, the effect of which helped Council to make an informed decision.
4. This by-law will come into force on the day it is approved by the Municipality of Strathroy-Caradoc.
5. This by-law amends Comprehensive Zoning By-law 43-08. The location of the lands affected by this amendment is shown on the attached Schedule "A".
