Strathroy Hometown Festival

“Show and Shine”

June 13, 2025

This year's Classic Car Show and Shine hosted by the Strathroy-Caradoc Cruisers Car Club, is again planned for the first evening of the Hometown Festival, Friday June 13th. The opening Ceremony of the Festival will take place on the stage at the intersection of Front and Frank Streets that day at 6:00 pm with our mayor and local personalities speaking.

Downtown merchants are invited to participate as spectators wander the streets, catching up with friends and neighbours, seeing what's new in town. As we begin planning for availability of food options or other services, I would be interested in knowing of your plans for the evening.

As in previous years, Downtown streets will be closed to accommodate the hundreds of cars, arriving from the surrounding area to “Show and Shine” as well as to enjoy the hometown feel of Strathroy's shops and services.

This includes:

- Front Street from Head Street west to Thomas Street. (Caradoc Street remains open and controlled by the traffic lights as usual.)
- Frank Street from Front Street to James Street.
- Centre Street from Frank Street to Caradoc Street.
- The lanes from Frank Street, beside Poags and beside Dance Factor, will also be closed as fire lanes and to accommodate entrance of larger vehicles and trailers.

These streets will be closed between 1:00 pm and 10:00 pm on June 13th. No residential or business vehicles will be allowed in or out of closed areas during these times. Please advise all family members, tenants or employees to make alternate parking arrangements. All of the closed streets are reserved for the exclusive use of the Strathroy Caradoc Cruisers Car Club.

This our 26th year as a car club and we are looking forward to an enjoyable summer evening, and we thank you for your support of this great tradition.
