- One call for dispatching a badly injured animal.
- Subject refused to exit vehicle when advised he was under arrest, ignored all verbal commands continuing to be argumentative and passive resistant. Subject became actively resistant to exiting the vehicle, physical control of subject by pulling out of vehicle. CEW activated and pointed as subject could not be fully removed from vehicle. Verbal commands finally obeyed once subject was told to exit the vehicle or the CEW would be deployed. Subject arrested and control gained, no injuries to subject or any officer involved.
