**APPENDIX 1- PROCEDURAL REQUIREMENTS FOR
THE POSTING OF NOTICE SIGNS FOR PLANNING
APPLICATIONS**

LEGISLATIVE REQUIREMENTS

Provincial regulations established under the Planning Act set out how an approval authority is to notify the public of a planning application e.g. a severance, rezoning, subdivision or minor variance. In the Municipality of Strathroy-Caradoc, these regulations are generally satisfied through direct mailing to surrounding property owners and the posting of a sign on the subject property.

SIGN DEPOSIT

The Municipality of Strathroy-Caradoc shall collect a \$50 deposit per sign required at the time the application is filed. Two signs are required for properties fronting on 2 roads. The deposit will be refunded to the applicant following the return of the sign(s). Please allow some time for processing the refund.

RESPONSIBILITIES OF THE APPLICANT/AGENT

The required notice signs will be prepared by municipal staff and made available at the Strathroy-Caradoc municipal office. Once the public meeting date(s) has/have been set for the application(s) and signs prepared, the applicant/agent will be contacted by municipal staff. The applicant will also be informed of the date by which the sign(s) must be erected in order to comply with the Planning Act regulations.

It will then be the responsibility of the applicant to:

1. Obtain and erect the required sign(s) by the date and in the manner prescribed.
2. Ensure that all signs are properly maintained from the prescribed date until the day after the last public meeting date indicated on the sign.
3. Remove the sign(s) and return them to the Planning Department within 1 week of the meeting date.

If the sign(s) is/are not posted as set out in the regulations, any decision made by Committee or Council on this application could be declared null and void should it be challenged because of lack of proper notice. **Should it be determined that the sign(s) was/were not posted properly, the Committee or Council will defer the application and additional fees will be required to cover the costs of issuing an additional notice for any new hearing/meeting date(s).**

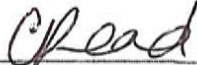

LOCATION OF SIGNS

The notice sign(s) shall be placed in accordance with the following:

1. A minimum of one sign shall be placed on each property which is the subject of the application.
2. A minimum of one sign shall be located at or near the centre of each property line with frontage on a public road, or where the main driveway meets each public road.
3. Each sign shall be placed parallel to the public road upon which it fronts.
4. Each sign shall be clearly visible and legible from the travelled portion of the public road upon which it fronts.
5. Where posting on the property is impractical, the sign(s) shall be placed at a nearby location approved by the Municipality.

Please contact the Building/Planning Department if you have any questions or need additional or replacement signs.

I, the undersigned do hereby agree to my responsibilities as outlined in this document.
