Re: Letter of Support for a New Pavilion

To Whom It May Concern,

This letter is confirmation that Strathroy Lions Club will provide financial support of up to \$15,000 for the construction of a new pavilion from funds received from donations and sales. The addition of a new pavilion near the Strathroy Water Park located beside the Scout House will provide Strathroy-Caradoc residents and visitors with another essential community hub, providing a versatile sheltered space. It will benefit all users of the park and water park with a place to enhance community interactions and improve park usability, regardless of the weather.

Strathroy Lions Club, an inclusive club with 102 years of supporting the Municipality of Strathroy-Caradoc, would like to support the new Water Park pavilion. We will support this initiative by providing the funding for construction materials for this necessary and much needed pavilion. The new pavilion will provide a comfortable, covered area for events, recreation and relaxation. Our mandate is to support community initiatives that will benefit all residents and visitors.

Please accept this letter as confirmation of financial support for the new pavilion and we look forward to working with the Municipality for the duration of this project and beyond.

Sincerely,

A handwritten signature in blue ink that reads "Howard James". The signature is written in a cursive style and is positioned above a horizontal line.

Howard James
Club President
Strathroy Lions Club
