Council,

Please find my updated master list noting initial contacts received and/or provided, noting that this is an approximation as some may have been overlooked given volume.
Sign list provided by the organizers of that effort. Same with businesses. Was provided to me by the local organizers.

Totals are shown below....

1	Petition	3,156
	ID'ed as Mt Brydges, Strathroy or Melbourne (approx)	896
2	Emails, Letters or Call to Council	269
3	Signs Distributed (in S-C)	311
	Sign plus email (overlap)	85
	Sign but no email	226
	Note: Signs outside community	15
4	Businesses letters	27

Notes:

- Signs do not account for multiples distributed by purchaser on behalf of other property owners. Number sold is well over 400.
- Petition is quick run through review

- Emails often noted a household's support – equates to greater number of total residents.
- Save the arena sign (K Kingma building) numbers not reflected.

Thanks, Neil
