

**Notice of Request for Drain  
Major Improvement  
*Drainage Act, R.S.O.*  
1990, c. D.17, subs. 78 (1.1)**

To: The Council of the Corporation of the Municipality of Strathroy-Caradoc

Re: Powers Drain

(Name of Drain)

In accordance with section 78 (1.1) of the *Drainage Act*, take notice that I, as owner of land affected, request that the above mentioned drain be improved.

The Major Improvement Project work being requested is (check all appropriate boxes):

- ☐ Changing the course of the drainage works;
- ☐ Making a new outlet for the whole or any part of the drainage works;
- ☐ Constructing a tile drain under the bed of the whole or any part of the drainage works;
- ☒ Constructing, reconstructing or extending bridges or culverts;
- ☐ Extending the drainage works to an outlet;
- ☒ Improving or altering the drainage works if the drainage works is located on more than one property;
- ☒ Covering all or part of the drainage works;
- ☐ Consolidating two or more drainage works; and/or
- ☐ Any other activity to improve the drainage works, other than an activity prescribed by the Minister as a minor improvement.

Provide a more specific description of the proposed drain major improvement you are requesting:

The road authority reporting to the Municipality of Strathroy-Caradoc would like to enclose 180m of open ditch and look at option to have the remaining closed drain potentially upgraded. Due to how close the drain is to the road shoulder on the West side of Sutherland Road just north of Inadale Drive, the road itself has experienced severe erosion and creating major safety issues for travelers.
