**Notice of Request for Drain
Major Improvement
Drainage Act, R.S.O.
1990, c. D.17, subs. 78 (1.1)**

To: The Council of the Corporation of the Municipality of Strathroy-Caradoc

Re: Philps Drain

(Name of Drain)

In accordance with section 78 (1.1) of the *Drainage Act*, take notice that I, as owner of land affected, request that the above mentioned drain be improved.

The Major Improvement Project work being requested is (check all appropriate boxes):

- ☐ Changing the course of the drainage works;
- ☒ Making a new outlet for the whole or any part of the drainage works;
- ☐ Constructing a tile drain under the bed of the whole or any part of the drainage works;
- ☐ Constructing, reconstructing or extending bridges or culverts;
- ☐ Extending the drainage works to an outlet;
- ☐ Improving or altering the drainage works if the drainage works is located on more than one property;
- ☒ Covering all or part of the drainage works;
- ☐ Consolidating two or more drainage works; and/or
- ☒ Any other activity to improve the drainage works, other than an activity prescribed by the Minister as a minor improvement.

Provide a more specific description of the proposed drain major improvement you are requesting:

Land Owner requests to enclose a portion of the Philps Municipal drain open ditch, at the top end of the drain and approximately 280m in length. Currently the drain bisects his farm and is prone to bank erosion and requires constant maintenance. Enclosure would reduce maintenance, erosion and create efficiency in farming activities. CA and DFO have provided written support for this Sec 78 petition to proceed with the next stages of the Drainage Act.
